

Commercial Photography

Per hour	£75
Per day (8 hours)	£500

Inclusive of basic camera kit: 35mm or Medium Format or Professional Digital camera plus standard lens.

Film, additional camera equipment and lighting extra.
Travel chargeable at 60 pence per mile.

Post Processing and Retouching Service

Retouching of your digital photographs to your instructions. From simple processes such as red-eye removal and image straightening to removal of objects from the photograph, and digital 'cosmetic surgery' where wrinkles and bulges can be removed without any pain or danger. Please send your digital image and a wish list for a no-obligation quotation.

Per hour	£75
Per day (8 hours)	£500

A3+	-	£45	£60	+£60 - (18"x24" frame)

Commercial Digital Art and Photography Package

My images are unique because of the time I spend working on them in the Post Production process. To help my clients achieve the results they desire I have put together this example Commercial Digital Art and Photography Package. This package is just one example of the services I can offer. I would be delighted to provide an estimate should you require a different package.

4 Hour Photography Session plus 4 Hours Post Processing	£600
---	------

Includes:

- 4 Hour Photography Session
- 4 hours Post Processing to your specification
- CD-ROM containing High Resolution (approx A4) digital files of:
 - All shots as taken during the session (approx 200)
 - All Post processed digital files from 4 hours post processing (approx 6-10 images)
- Royalty-free reproduction rights on all images from the session

Commercial Photography sessions can be conducted at my studio or at your choice of location. For location sessions a 1 hour setup charge of £75 and travel at 60 pence per mile is chargeable.
