Commercial Digital Art and Photography Package

The time and care spent during the Post Production process is one of the reasons that Robert Babylon's images are unique.

The following combines Photography and Post Production in one convenient package. Packages can of course be tailored to fit your individual requirements.

4 Hour Photography Session (for one person) plus 4 Hours Post Processing	£600
--	------

Includes:

- Initial consultation
- Four hour photography session (for one person)
- Review of images after photographic session
- Four hours post processing
- High resolution post-processed digital files from four hours post processing (approx 10 images)
- Royalty-free reproduction rights on all post-processed images from the session
- CD-ROM containing proof images of all shots taken during the session (approx 100 images)

Commercial Photography sessions are normally conducted at Robert Babylon's studio in Hampshire. For location sessions a 1 hour setup charge of £75 and travel at 60 pence per mile is chargeable.
