

Personal Portrait Portfolio Packages

Robert Babylon's Personal Portrait Portfolio service offers the ultimate in individually tailored digital portrait sessions. He works in close collaboration with his clients and models to reflect their personality and provide fetish, erotic and glamour portraiture for the 21st century.

Personal Portrait Photography sessions can be conducted at his studio or at your choice of location (for example in the comfort of your own home).

Sessions can be with or without a stylist to help with your hair and make-up. For location sessions a 1 hour setup charge of £75 and travel at 60 pence per mile is chargeable.

Example Session price - I can tailor your session to fit your personal requirements.

4 Hour Session for one person	£600
4 Hour Session for couple	£700
