

Personal Portfolio Package

The Personal Portfolio Package offers the ultimate in individually tailored digital portrait sessions, working in close collaboration with clients and models to reflect their personality and provide fetish, erotic and glamour portraiture.

Personal Portrait Photography sessions are normally conducted at Robert Babylon's studio in Hampshire. Sessions can be with or without a stylist to help with your hair and make-up. For location sessions a 1 hour setup charge of £75 and travel at 60 pence per mile is chargeable.

Standard Personal Portfolio Package (sessions can be tailored to fit your personal requirements).

4 Hour Session for one person	£600
4 Hour Session for couple	£700

Includes:

- Initial consultation
- Four hour photographic session
- Stylist to assist with make-up and styling before and during session
- Review of images after photographic session
- Digital post processing of the best images from the session
- Four A4 prints of your choice on high quality art paper
- CD-ROM containing proof images of all shots taken during the session (approx 200 images)

Additional standard and high quality giclee prints from your session are available at the following cost, all sizes are approximate (other sizes available on request):

	Giclee Art Paper Prints	Mounting & Framing
A4	£40	+£50 - (11"x14" frame)
A3	£60	+£70 - (16"x20" frame)

Prices for non-standard and larger sizes available on request.

Please note that these Personal Portrait Portfolio Packages are not designed for commercial clients. The copyright on the images produced in these sessions is strictly reserved by the Robert Babylon and the images may not be used for commercial purposes. Clients requiring images for commercial purposes are respectfully requested to see the Commercial Digital Art and Photography Price List.
